Succession Option Selection

I hereby agree that, in accordance with the Basic Terms and Conditions of Telecommunication Services and the KT Individual Service Terms and Conditions, all rights and obligations related to the service usage, including any value-added services, shall be transferred to the successor from the date of application for service right succession (name change).
※The successor shall be responsible for settling any outstanding charges related to the service.
※ "General Succession" refers to the transfer of service rights based on an explicit mutual agreement between the original account holder and the successor.
"Sole Succession" refers to the transfer of service rights (name change) based on reasonable supporting documentation in accordance with relevant terms and conditions provided by the successor. Please select the applicable option below:
☐ General Succession: Both parties agree not to raise any objection under any circumstances regarding matters mutually agreed upon between them.
☐ Sole Succession: 1. In the event of a reasonable objection from the original account holder, the successor agrees to immediately restore the service rights to the original account holder and assumes full liability for any damages incurred by the original account holder as a result of the succession.
2. Under sole succession, contract termination, subscription type change, or additional name changes shall not be permitted for a period of one (1) year.

Guide to terminal device sales and installment repayment contract

In order to use the KT Mobile Service, I(A) whom purchased the mobile phone KT Corporation(B) as the Service Provider and KT Agency as the mobile phone (C) hereby agree on the terms of mobile phone device, method of terminal device repayment.

Article 1 (Terms of terminal device sales)

①"A" purchases a terminal device from "C" with lump sum credit in accordance with the terminal sales contract.
②The joint guarantor of "A" confirms that he/she will check all the provisions of this sales contract "A" made with "B", "C" and pay off all debts arising from this contract jointly with "A".
③"B" may transfer some or all of the terminal sales receivables pursuant to this contract to a third party, such as a securitization company in accordance with the Asset Backed securitization Act , and "A" agrees to this.

Article 2 (Selection of Terminal device Payment Method and Transfer of Bonds)

①"A" may select the payment method (lump sum payment, installment payment, partial installment payment) of the cost of terminal device. If the "A" does not select the (partial) installment payment of the terminal device price, it shall be repaid to "C" without delay, and if the (partial) installment payment of the terminal price is selected, "C" may transfer the terminal sales receivable to "B" and "A" shall agree to this.
②This contract is effective when "B" or "C" notifies "A" of sales contract permission through a prescribed procedure that directly checks the terms and conditions such as terminal sales of cell phones, selection of terminal payment method, and transfer of bonds.
③If "A" chooses to pay in installments, "A" shall bear the installment repayment fee, which is the required cost, and various fees for factoring (credit) provision of "B" to A.
④If choosing to pay in installments in relation to terminal sales payment method in accordance with the provisions of paragraph 2, "A" shall pay the installment repayment and various installment repayment fees to B according to the installment repayment period every month until the end of installment repayment.
⑤With regard to installment repayment, "B" may not set any mandatory use period, termination, restriction period or name change restriction, etc.
and shall respond to the "A"'s application to terminate the use of the service during the installment repayment period.

Article 3 (Buyer's Obligations)

①The buyer shall pay the installment repayment to "B" in accordance with the terms and conditions of the terminal sales entered into between "A" and "C" and the payment method of the terminal price contracted between "A" and "B", and "A"'s obligation to pay the installment repayment continues even if the cell phone is damaged or lost due to loss, theft, damage or fire, disaster, or other reasons.
②"A" shall notify "B" without delay when there is a change in the postal address, invoice address, change in payment account (including automatic transfer account) and credit card before full installment repayment. However, the documents sent by "B" is deemed to have reached when it is sent to the last postal address of A.
③"A" may not raise an objection to the disadvantage of failing to receive notices and documents from "B" due to the negligence of the obligations under paragraph 2.

Article 4 (Installment Repayment Method)

①"A" shall pay the installment repayment incurred by the selection of (partial) installment repayment method by the due date using the method chosen by "B".
②"A" shall pay the monthly payment of the installment repayments from the next month of subscribing B's service and may pay the remaining installment repayment in a lump sum even before the final payment due date.
③Even if "A" wants to temporarily suspend the provision of the "B" service during the payment of the installment repayment, "A" shall pay the monthly payment.
④If the amount paid by "A" is insufficient to cover the entire amount of the debt, including service charges of "B", cell phone installment repayment, etc., as of the payment date, "B" shall pay the amount of debt that has arrived first based on the due date.
⑤The use of the mobile phone service provided by "B" may be restricted if the installment repayment is not paid in full by the due date set forth in paragraph 1, and any damages arising from non- payment of installments due to other reasons shall be borne by the "A".
⑥If there is an objection to the amount claimed by "B", "A" shall inform "B" immediately of its purpose and make a settlement if there is a mistake.
⑦The installment repayment consists of the price of the device and the commission. The Commission is a fee according to the credit grant (factoring) provided by "B" to "A", and it is required for the cost of performing the work in accordance with the installment repayment procedure and insurance to disperse the risks due to customers' default.

Article 5 (Damages for Delay)

If "A" fails to pay the installment repayment by the payment due date, "B" shall pay damages for delay equivalent to 2% per month of the overdue amount.

Article 6 (Acceptance of Status Transfer)

①"A" is obliged to respond to the claim of "B" under this contract in accordance with the provisions of Article 1 (1).
②If "A" wants to transfer the cell phone to another person during the installment repayment period, he/ she may notify "B" immediately and transfer ownership through the process of changing the name with the consent of "B".
③When trying to change the name under the provisions of Paragraph 2, "A" may transfer the cell phone and all of the services provided by "B" onlyto the person who is eligible for the preservation of the bond, and all terms and conditions of the installment repayment shall be passed on to the transferee.
④"A" shall not transfer only the installment repayment contract to others excluding the mobile phone service during the installment repayment period, and even if "A" transfers the cell phone to another person without changing the name, the obligation to pay the installment repayment may not be transferred. .
⑤When trying to transfer the ownership of the cell phone to another person, "A" shall repay the remaining installments in a lump sum to "B" prior to the name change process if the transferee (including the transferee's joint guarantor) refuses to succeed the installment repayment contract, or the transferee (including the transferee's joint guarantor) is not permitted to succeed the installment repayment due to credit ineligibility.

Article 7 (Buyer's Right to Withdraw)

①″A″may withdraw the subscription regarding the installment repayment contract on the day when he/she obtained this contract or within 7 days from the date of delivery of the cell phone if he/she failed to obtain the copy of the contract.
②If trying to withdraw the installment repayment contract pursuant to paragraph 1, "A" shall notify in a written form to B stating the intention to withdraw within the period specified in paragraph 1, and the withdrawal of the subscription is considered effective on the day the written letter is sent to "B".
③Despite the provisions of paragraph 1, if the cell phone is lost or damaged due to the reason attributable to ″A″, the installment repayment contract may not be withdrawn.

Article 8 (Loss of Benefit of Time)

"A" may lose the benefit during the installments payment periods in the following cases, and "B" may request "A" to pay the full installment repayment in a lump sum.
①In the case where "A" does not pay money due more than two times in succession, and the arrears amount exceeds 1/10 of the installment repayment.
②In the case where "A" moves to a foreign country to engage in livelihood or due to a marriage or relationship with a foreigner.

Article 9 (Cancellation of Contract)

"B" may cancel this contract in the event that "A" does not fulfill the obligation to pay the installment repayment within 14 days or more of written notice to A. In this case, "A" shall be liable for damages under Article 9 of the Act on Installment Repayment Transactions.

Article 10 (Termination of Mobile Phone Service Contract)

①″A″, who canceled the use of the service of ″B″during the installment repayment period, may select one of the methods of paying remaining installment repayment in installments or in a lump sum during the remaining installment repayment period.
②In accordance with the provisions of paragraph 1, the ownership of the cell phone shall be restored to "A". However, ″A″may not dispose of the cell phone such as transfer to another person, rental, and pledge setting without the consent of "B" until the full payment of the installment repayment.

Article 11 (Credit Insurance)

①″B″may take out a credit insurance of Seoul Guarantee Insurance Company for the preservation of claim of the terminal device installmentrepayment and charges for ″A″. The credit insurance subscription contract for "A"'s joint guarantor is made with the joint guarantee debt as the main debt and the principal debtor as the joint guarantor of "A".
②″A″agrees to fully transfer to B all rights necessary for conclusion of a credit insurance contract of the above paragraph 1.
③"A" shall pay the installment repayment commission to "B" every month until the end of the installment repayment.
④If A failed to fulfil the repayment of installment on behalf of B prescribed in paragraph 1, B shall claim the unpaid installment repayment to Seoul Guarantee Insurance Company and B shall indemnify Seoul Guarantee Insurance Company paid by Seoul Guarantee Insurance Company [unpaid installment repayment (unpaid charges)] and overdue interest (6% per year).
⑤In the event that "A" continues to fail to pay off his/her debt, delinquent debts are notified to each financial institution, such as banks, regardless of credit insurance and payment

[Charge Credit Insurance Contract]

Article 1 (Credit Insurance Contract)

①″B″may sign a charge credit insurance contract with Seoul Guarantee Insurance Company on behalf of A as reported in the Terms and Conditions for preservation of bonds due to non- payment of communication charges of "A". "A" shall pay insurance premiums (25,000 won for individuals and 50,000 won for corporations) to "B" at the time of signing this contract.
②The provisions of Article 11 (2, 4 and 5) of the cell phone installment repayment contract shall apply equally to this contract.

Article 2 (Miscellaneous)

①For matters not specified in this contract, the relevant laws and regulations, the mobile phone service terms and conditions of ″B″shall be followed.

Article 12 (Jurisdiction)

When there is a need for a lawsuit between "A", "B" and "C" regarding this contract, the competent court prescribed by law or the competent court located in the headquarters of "B" shall be determined as the competent court.

Article 13 (Interpretation)

Any matters not specified in this contract shall be governed by the relevant laws and regulations, mobile phone service terms and conditions of "B".

Article 14 (Consumer's Right to Protest and How to Exercise)

"A" may refuse to pay the installment repayment to "B" or "C" when there is a reason falling under any of the following:
The intention to refuse payment (exercise of the right to protest) shall be in writing, and its effect will take effect on the day the letter is sent.
①If the installment repayment contract is not established or invalid, or the installment contract is terminated or canceled.
②If all or part of the cell phone is not supplied to "A".
③In the case that "A" did not fulfill the defect mortgage liability
④If subscription is withdrawn according to other laws

Article 15 (Reservation of Ownership)

Under the agreement between the two parties, ownership of the cell phone is reserved to "C" until "A" completes the repayment of the installments.
"A" may not arbitrarily dispose of the cell phone such as transfer to another person or pledge without the consent of "C" until the full payment of the installment
